

January 2025

Dear Non-Profit Organization,

The Waupaca Area Convention & Visitors Bureau is soliciting applications for funding tourism development events and projects.

Included in this document, please find a Tourism Development Grant Description and Application.

The Spring 2025 submission deadline is March 11. The Fall 2025 submission deadline is October 11.

We may request that a representative from your organization meet with our Tourism Development Grant Committee for application clarification. Upon receiving your request, we will contact you for setting up a meeting time if needed.

If your organization is selected for a Tourism Development Grant, you are required to send back a follow-up report for your project or event. This is important as these reports have to be submitted to our municipalities and back to the State of Wisconsin.

We wish you well with your endeavor and thank you for promoting the Waupaca area as a destination!

Cordially,

Tourism Development Grant Program Overview

The Waupaca Area Convention and Visitor Bureau Tourism Development Grant Program provides partnership funding to help non-profit organizations promote tourism in the Waupaca area. The mission of this program is to promote the Waupaca area as a destination by attracting visitors, encouraging overnight stays, increasing visibility and making an overall positive impact in our community.

In 1988 the City of Waupaca instituted a lodging facility room tax to raise revenue for tourism development. The current tax is set at 8% of gross room sales. In 2021 the Townships of Dayton and Farmington have instituted a room tax. With that, a Room Tax Commission has been created with representatives from the three municipalities mentioned above. A Tourism Development Grant Committee reviews all applications and make recommendations for the distribution of funds. These recommendations are then put to a vote at a Waupaca Area Convention and Visitor Bureau Board of Directors meeting. This board is comprised of representatives from businesses in the tourism, hospitality and lodging facilities. This board is also represented by members of the three municipalities (City of Waupaca, Town of Dayton and Town of Farmington).

A number of criteria must be met to qualify for grant consideration:

1. If your organization is a previous grant recipient, all follow-up reporting must be completed. Failure to do so will disqualify this grant request.
2. Your event or project must be sponsored by a Non-Profit organization with IRS certification.
3. The event or project must be located within the Waupaca area; however, 'WOW' type events located outside our normal area that will have a positive impact on our area may be given consideration.
4. Contributing to the development or expansion of visitor attractions and amenities.
5. Funding is intended for launching new events and projects; likewise, to enhance or improve existing events and projects. Consideration may be given to helping with general operating or maintenance expenses. These types of needs/requests must be clearly defined.
6. Applicants proposing off season or in season weekday events may be given more consideration.
7. Events or projects will need to report back to the Tourism Development Grant Committee (see requirements in application). **If reporting is not completed from a previous grant award, this application will not be reviewed.**

Three Goals of Support:

1. New events or enhancements to current events to draw additional people to our area.
2. Marketing & Promotions outside of a 50-mile radius.
3. Capital Improvements.

Deadlines for applying: Spring - March 11 Fall - October 11

Drop-off or mail completed applications to: WACVB – 315 S. Main St. – Waupaca, WI 54981.
